ABOUT US

Wonderful Company which was founded in 1996 is a professional lighting enterprise with product innovation and R&D, production, sales and service.

As a special manufacturer of green lighting products, WONDERFUL is committed to providing excellent quality, energy-saving and green lighting products for the consumers around the world. It has manufacturing bases in Xuancheng city (Anhui province), Huangshan city (Anhui province) and Zhongshan city (Guangdong province) in China mainland. It owns advanced production lines, perfect product research & development and test equipments, ISO9000 quality management system and ISO14000 environment management. Product sales show center and storage center are established in the United Arab Emirates, Dubai, Ajman, Muscat, Oman and some other overseas markets. It possesses perfect after-sales service system.

It first creates Tmall mall for professional LED lighting products in domestic which has a perfect combination of online and off line marketing system.

"WONDERFUL" is an international registered trademark, the products has passed safety and quality certification by many countries and organizations, such as CCC, ELI, CE, CE-LVD, CE-EMC, GS, SAA, SASO, FCC, etc. The product sales has always been in the forefront of the same line.

Adhering to the tenet of "innovation, integrity, quality, win-win", looking to the future, seeking the truth & being pragmatic, we'll create WONDERFUL products which are made in China, in conformity with energy-saving & emission-reduction and green environmental protection to be a leading enterprise of world-famous brand in the field of lighting.

TO CREATE ALIGHT

Enabling innovation requires collaboration from the start. A human-centered approach. We call it co-creation and it's our design thinking process.

Innovative design has become the main theme of, which means that every detail, color, line and lighting effect are full of new ideas, but also deeply integrated into every detail of the brand, in a unique creative design for contemporary consumers to bring different choices, special individuality, unique!
