# AT A GLANCE!

Lüse De is the brand you see and recognize in our communications, products and services. Behind this brand stands our officially registered company, Connection Solutions Ltd.

In Arabic, we are known as:

شركة حلول التوصيل المحدودة

We use Luse De as our commercial and marketing name to make our brand more memorable and relatable.

**In alignment with Saudi Arabia's Vision 2030, Luse De represents our commitment to:**

- Promoting safe, innovative and environmentally conscious solutions
- Contributing to the Kingdom's journey toward sustainability, modernization and advanced infrastructure

Lüse De means "Greenery" in Mandarin. It reflects our vision for sustainability, growth and a greener future in the Kingdom of Saudi Arabia.

# ABOUT US

## About Us

Lüse De is a Saudi local firm represents fixed line bridging the MENA Region and Asia, inspired by Saudi Vision 2030. We pride ourselves on providing top-quality, cost-effective, and reliable services and products all in one place.

Lüse De is designed to meet the rigorous demands of industrial environments, our SAUDI MADE explosion and fire-proof junction boxes, standard junction boxes, distribution panels and installation equipment provide reliable, secure and cost-efficient power distribution systems. Manufactured and assembled locally, the products are designed and produced using cutting edge technology providing high quality items meeting IECEx and ATEX standards at amazing prices. From fixtures, panel and distribution boards, junction and terminal boxes, plugs and sockets and conduit fittings, we can swiftly provide customized models and specifications to meet any and all the requirements upon order.

# Lüse De AUTHORISED DEALER WITH HEXLON GULF

## Introduction

Helon Gulf Electric For Industrial Company (Helon Gulf) is a Saudi Manufacturing company that is located in 2nd Industrial City, Dammam.

The scope of business is Manufacturing, Assembling, and After Sales Service of Safe& Hazardous Area LED Lighting Fixtures, Panel & Distribution Boards, Junction & Terminal Boxes, Local Control Stations, Plugs& Sockets, Cable Glands, and Conduit Fittings.

Products are designed and tested as per IECEx and ATEX standards and are in compliance with GCC standards, considering the harsh environment. We differentiate ourselves by bringing a high-quality product, exemplary client services, perfect integrity, and complete accountability through every phase of the project.

# CERTIFIED INDUSTRIAL ELECTRICAL SOLUTIONS

As the official distributor of Helon in the region, Luse De / Connection Solutions Ltd brings you a premium range of explosion-proof, weatherproof and waterproof industrial electrical products.

Our dealership ensures product authenticity, after-sales support and direct access to Helon’s advanced engineering solutions.

Partnering with Helon Gulf Electric allows us to offer top-quality, certified, and reliable products that meet international standards for safety and performance.

# BACKGROUND OF PARENT COMPANY

Our parent company, **Helon Explosion-proof Electric Company**, is a national high and new technology enterprise headquartered in Yueqing, Zhejiang Province - the capital of electrical appliances in China. With an occupied area of over 50,000 m<sup>2</sup> and a floor area exceeding 100,000 m<sup>2</sup>, **Helon Gulf Electric** specializes in the development and manufacturing of a wide range of normal, waterproof, weatherproof, and explosion-proof industrial electrical products, setting industry benchmarks for quality, safety, and innovation.

## Background of Parent Company

With 16 years of focusing on the field, our Parent company cooperates with many clients domestically and globally. They are showed as following:

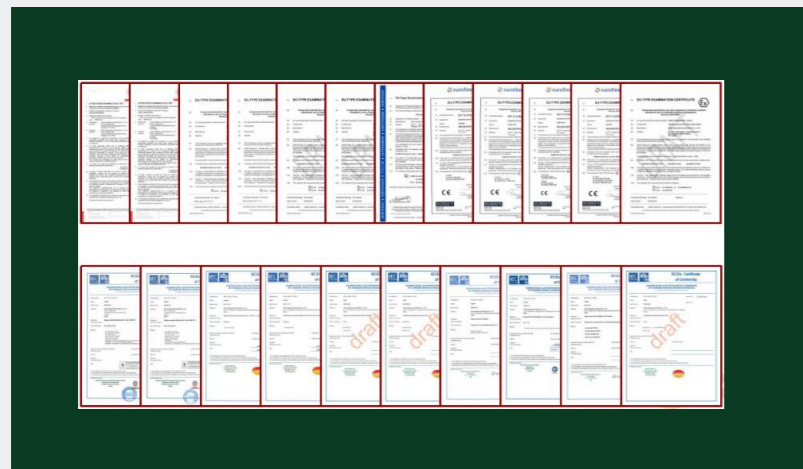

Formed an excellent relationship with foreign companies, such as :

**CHEVRON-USA, SHELL- British ,  
CEPSA- Spain , BASF - Germany, and etc**

Major dometic supplier of CNPC, SINOPEC,  
CNOOC, etc..

# COMPANY INTRODUCTION

# Helon Explosion-Proof Electric Co., Ltd-Headquarter

Helon Explosion-Proof Electric Co., Ltd is a national high-tech enterprise, located in China Explosion proof electrical appliance manufacturing base-Yueqing, Zhejiang, China. It covers an area of 78 acres, with a construction area of more than 10 million square meters.

Our company primarily manufactures and sells industrial explosion-proof electrical equipment, explosion-proof lighting, explosion-proof fittings, and explosion-proof ventilation products. We have more than 100 series/1000 different kind of explosion-proof products such as explosion-proof electrical appliance, explosion-proof lighting, explosion-proof fittings, and explosion-proof ventilation products. We can fully meet the safety and application needs in petroleum, petrochemical, chemical industry, grain, metallurgy, electric power, shipbuilding, medicine, textile, wine making, fire control, etc.

Helon has passed ISO 9001, ISO 14001, ISO 45001 and the European Union ATEX, international IECEx (QAR, QAN) and other management system certification. Helon gets into the vendor list of well-known enterprises and becomes the strategic partners (primary suppliers) for domestic and international companies such as PetroChina, Sinopec, CNPC, CNOOC, CNAF, COFCO, SINOCEM, SINO Grain and Military Industry. We are also shortlisted supplier of China Nuclear Industry Group. Our products are exported to more than 50 countries and regions such as the ME, Europe, Southeast Asia, Africa, Russia, and Kazakhstan with hundreds of offices and first-class business teams in China.

Helon New Material Technology (Jiangsu) Co., Ltd., with a registered capital of 20 million RMB yuan and a total plant area of 12,000 square meters, is a composite material manufacturing enterprise integrating technology research and development, manufacturing, design and sales. We have industry-leading automatic calibration production equipment, and maintain cooperative research and development with many professional colleges and universities, and has obtained a number of independent patented technologies. We are committed to becoming an expert in lightning protection and grounding solutions with focusing on the creation of grounding maintenance-free systems. The copper-clad steel products by using the leading continuous casting production technology at home and abroad, and have a unique competitive advantage. The uniformity, adhesion and anti-corrosion performance of the copper layer are ahead of the industry, and the shape of the copper-clad steel and the thickness of the copper layer can also be customized according to customer needs.

# HELON GULF ELECTRIC FOR INDUSTRIAL COMPANY-KSA

Founded in 2023, it has obtained a local production license in Saudi Arabia. Incorporated into the network of Saudi Aramco (AVL) .

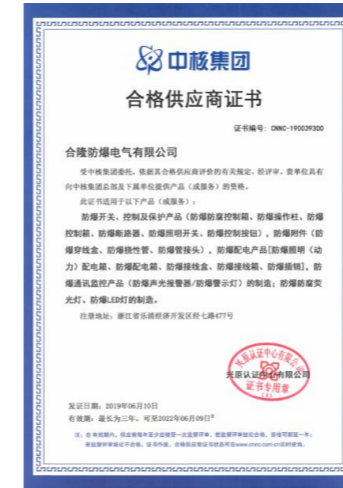

# Honors

PetroChina, Sinopec, CNOOC and China Aviation Oil

Suppliers of weapons and equipment materials of the whole army and materials of the General Armament Department of the PLA

Qualified supplier of CNNC

China Explosion-proof Chairman Unit

Member of the Expert Committee of the explosion-proof electrical industry

Executive director unit of China Electrical Equipment Industry Association

National high-tech enterprise

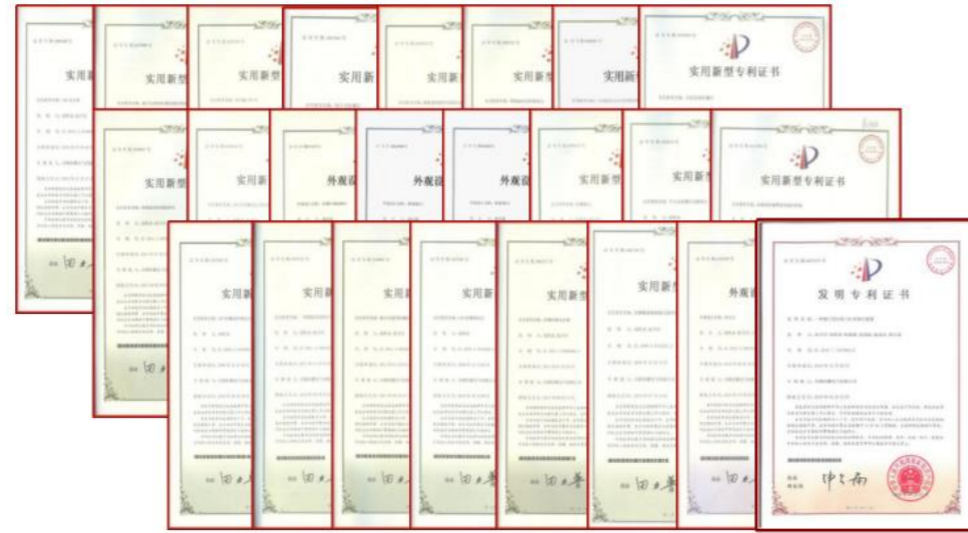

Provincial Explosion-proof Electrical Enterprise Research Institute

Provincial Explosion-proof Electrical Enterprise Research Institute

# Qualification Certificate

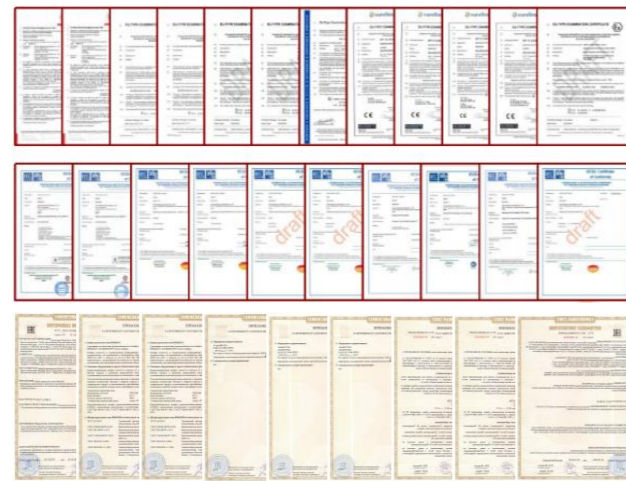

137 patents-including 19 invention patents, 73 utility model patents and 45 appearance patents

CNAS Laboratory Accreditation Certificate

Explosion-proof electrical maintenance and installation qualifications

ATEX IECEx EAC Certificate

ISO9001/ISO14001 /OHSAS18001

Nemko Factory Certificate

# APPLICATIONS

Petrochemical

Offshore oil vessels

Grain and oil storage

Pipeline transportation

- Grain
- Military
- Offshore oil extraction
- Dangerous goods transport terminal
- Offshore oil vessels
- Comprehensive underground pipeline (gas tank)

# PARTNERS

- ✓ CHEVRON
- ✓ SHELL
- ✓ CEPESA
- ✓ BASF

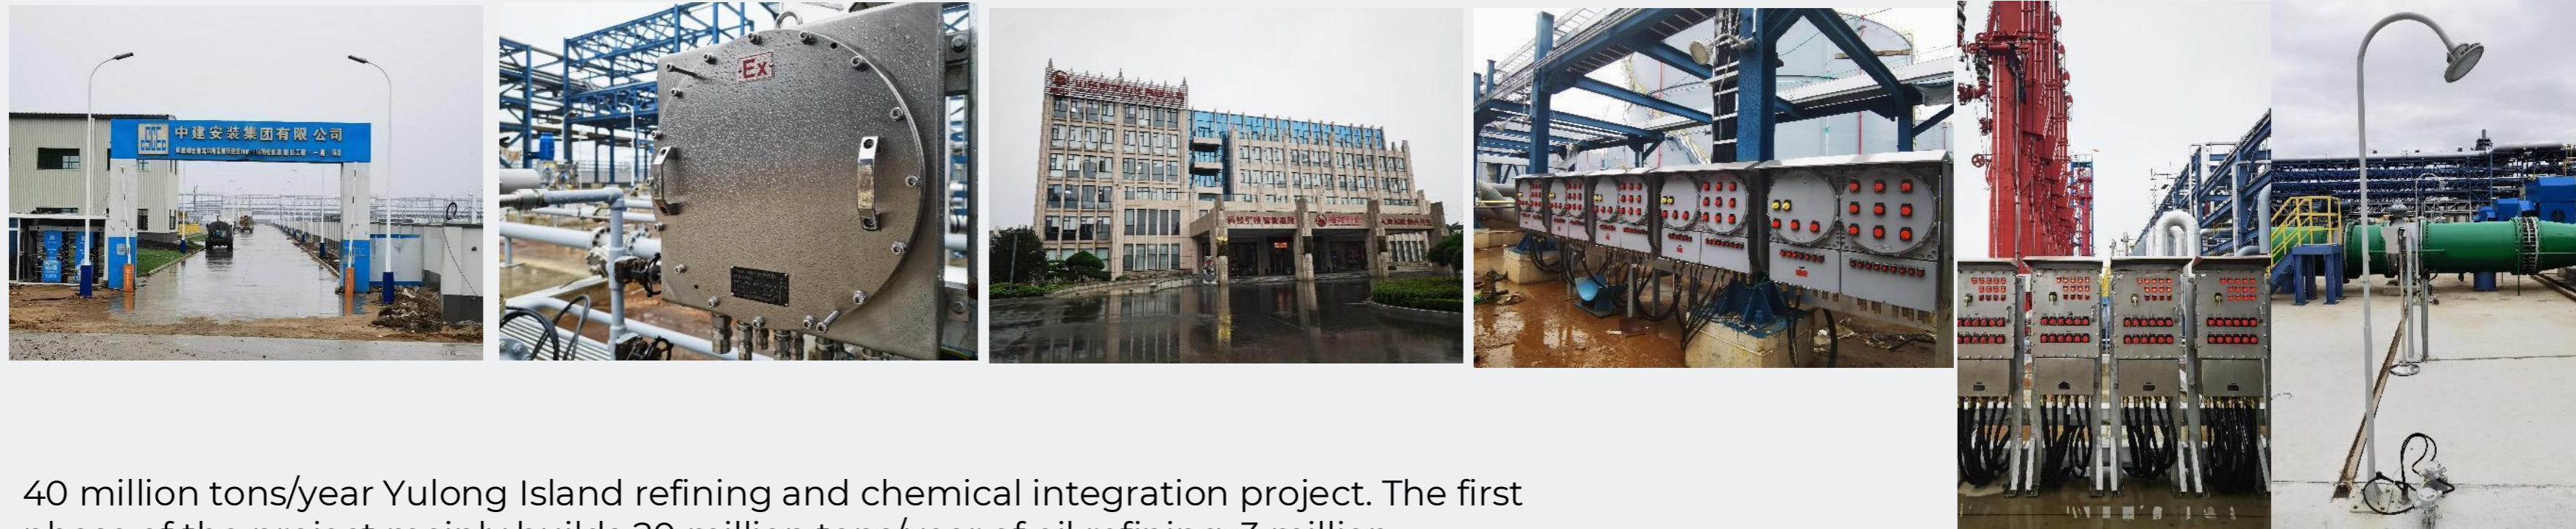

We are core supplier of CNPC, SINOPEC, CNOOC and other companies.

# PROJECTS/ ACCOMPLISHMENTS

# Shandong Yantai Yulong Island Refining and Chemical Integration Project

PROJECTS/  
ACCOMPLISHMENTS

40 million tons/year Yulong Island refining and chemical integration project. The first phase of the project mainly builds 20 million tons/year of oil refining, 3 million tons/year of ethylene, 3 million tons/year of mixed xylene, as well as gasoline, aviation kerosene, diesel, ethylene glycol and other deep processing units.

# Zhejiang Petroleum&Chemical Co., Ltd.

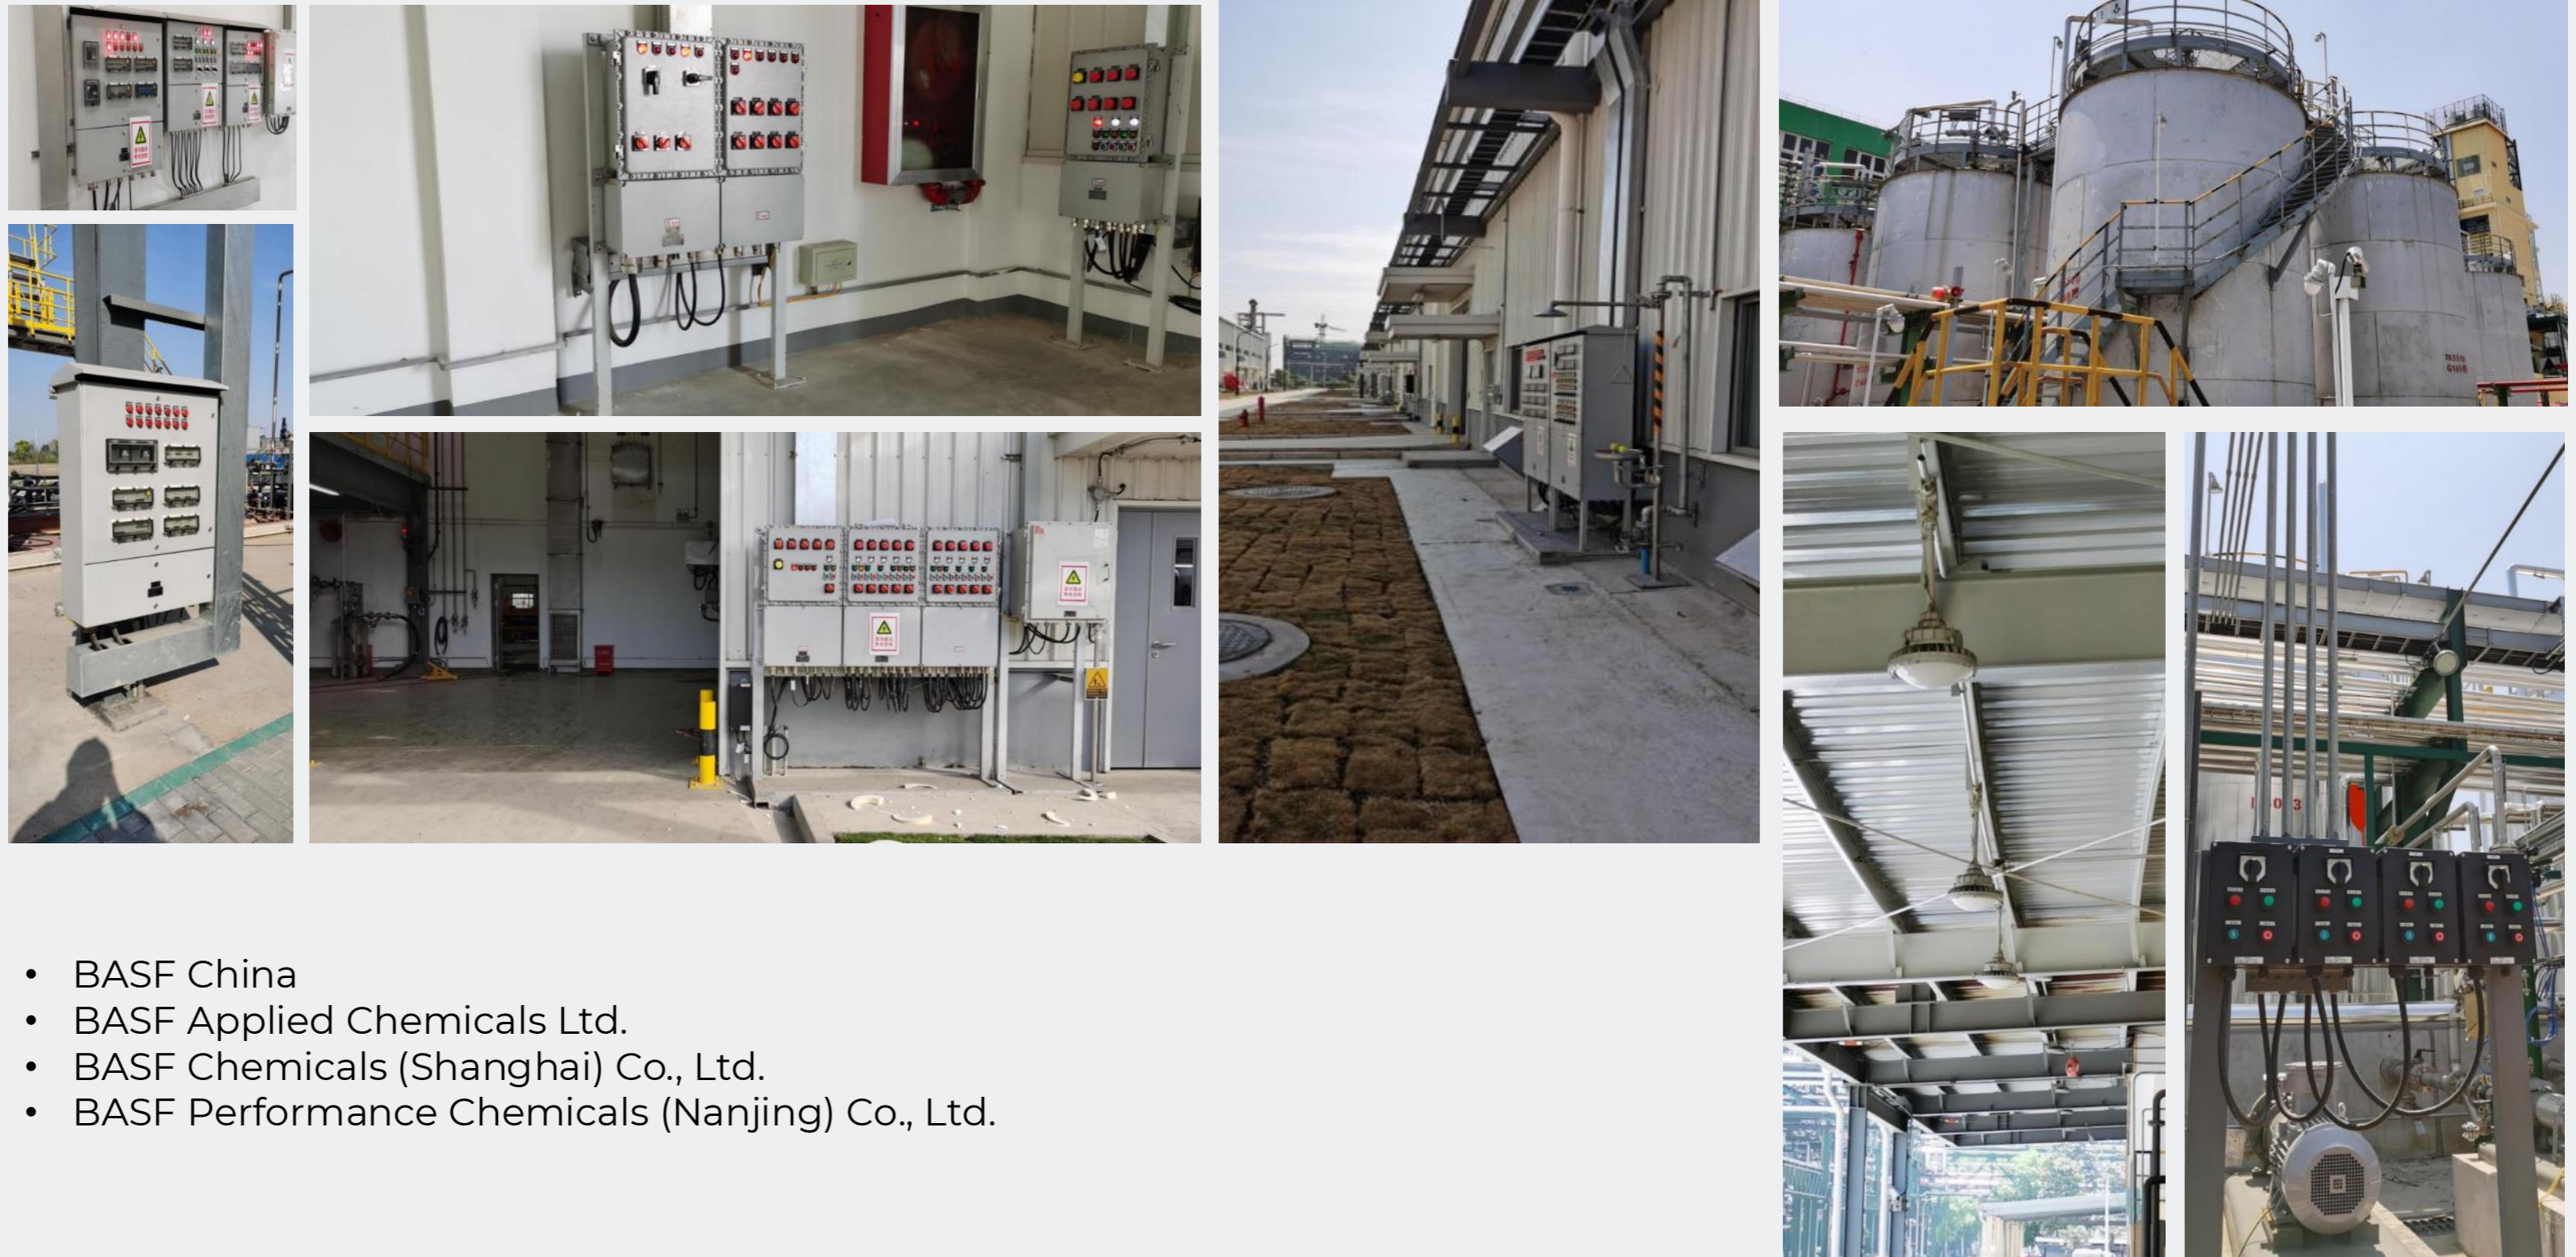

The first and second phases of the 40 million tons/year refining and chemical integration project.  
(Contract amount: more than 20 million RMB)

# BASF Zhanjiang Verbund site

The largest overseas investment project to date, which is independently built and operated by BASF. The world's third largest integrated production base. The first units of the project will produce engineering plastics and thermoplastic polyurethane (TPU), which will provide materials for automobiles, electronics and new energy vehicles. The first plant of Zhanjiang integrated site was officially put into operation on September 6, 2022. The entire integrated site is expected to be completed by 2030.

# BASF

- BASF China
- BASF Applied Chemicals Ltd.
- BASF Chemicals (Shanghai) Co., Ltd.
- BASF Performance Chemicals (Nanjing) Co., Ltd.

# Wanhua MDI (isocyanate) , Yantai

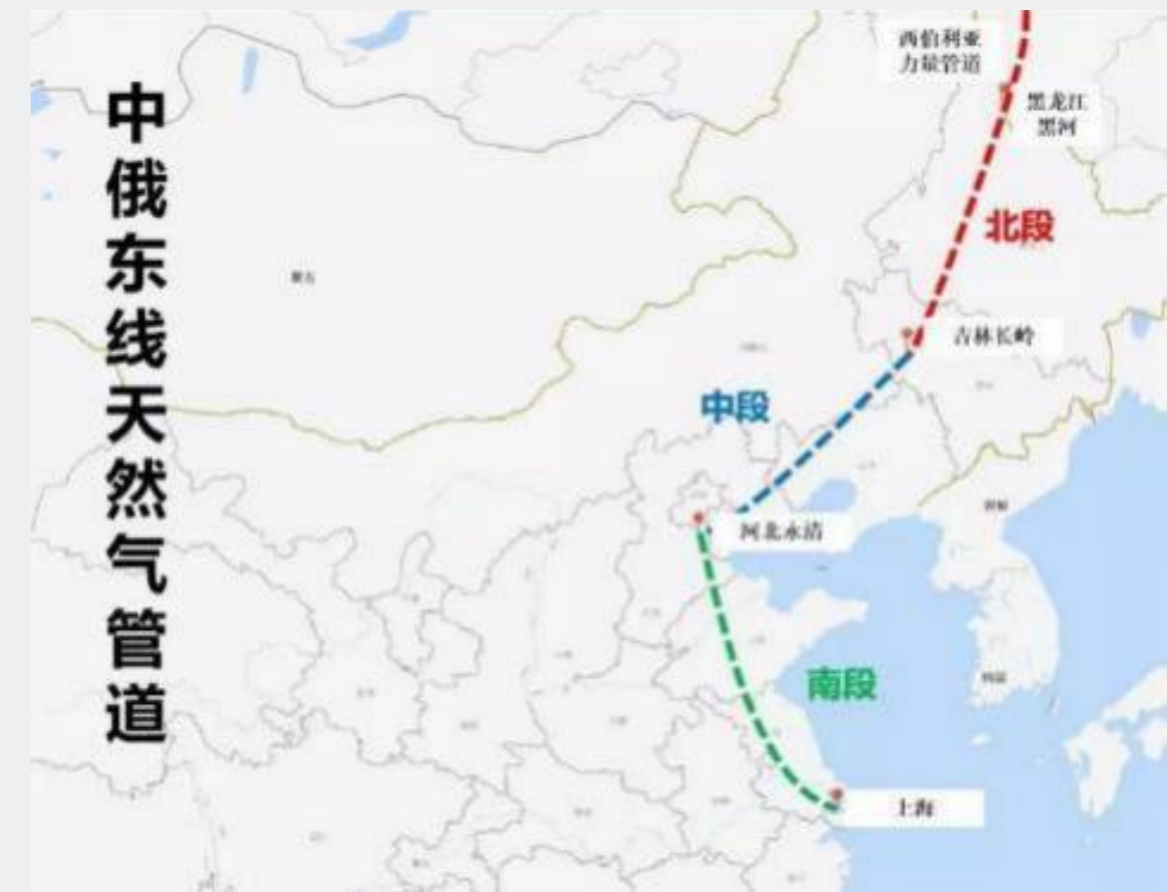

The project's leading position in the field of polyurethane. The world's first 1.1 million tons of MDI single plant including the expansion of MDI units, HDI and its adduct units, ADI units new construction and expansion, as well as aniline units and hydrogen chloride oxidation units.

# China-Russia East Route Natural Gas Pipeline

About 5 billion cubic meters of gas were delivered In 2020. Gradually increase to 38 billion cubic meters of gas transmission per year. Provided 9467 sets of explosion-proof products in total 160 categories (5,202 sets of electricity equipment, 4,265 sets of instruments).

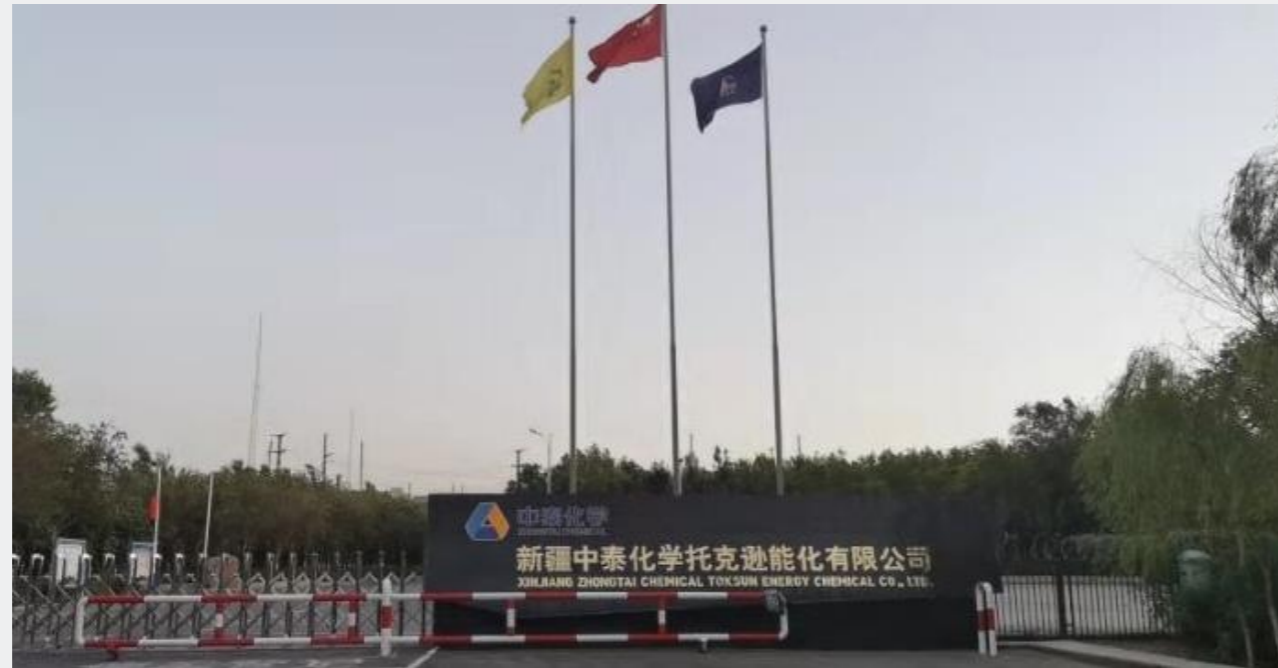

# China National Aviation Fuel Group Limited

Beijing Daxing International Airport

# ZhongTai Chemical, Xinjiang
